

# INNOVATIVE Document Capture & Output

The MFX-2570 features innovative document solutions such as single pass duplex color scanning, direct USB printing and scanning, shift-sort document output, embedded document indexing and an intuitive touch screen interface that combine to deliver exceptional multifunction performance to the desktop.

The MFX-2570 enables:

- › Copy, print, fax and color scanning from the desktop
- › Automatic document indexing into a variety of document management systems
- › One-touch color scanning to PC folders, e-mail addresses and FTP
- › Single pass color duplex scanning enables scanning at up to 62 images-per-minute (200 dpi)
- › Automatic archiving of machine communication (fax & e-mail) to create audit trails
- › Customized inbound fax routing
- › Integration with network fax servers
- › Produce distribution-ready output using shift-sort document finishing
- › 25 page-per-minute output.
- › Standard duplex printing
- › Printing from a variety of operating systems

DEPLOY. DUPLICATE. DIGITIZE. DELIVER.

# FEATURES AND BENEFITS

MFX-2570

MFX-2570  
w/Optional 500-Sheet  
Cassette

USB Host Drive  
(print from / scan to)

Shift-Sorting

## Scanning Highlights

- Scan color documents at up to 600 x 600 dpi. Scan two-sided documents at up to 62 images-per-minute using the single pass duplex scanner.
- ScanTag enables users to maximize their document management investments by enabling the decentralized capture and indexing of documents into a variety of document management systems. ScanTag is certified with the following document management solutions—
- DirectScan enables users to directly scan documents into PC folders without having to install any additional hardware or software connectors.
- Scan documents directly to e-mail addresses. Use the QWERTY keypad to create a custom attachment name (document being scanned), add a subject line and/or text message.
- Integrated address book can store up to 2,000 contacts, each containing a fax number, e-mail address and group locations. Mixed broadcasting (fax/e-mail) is supported.
- Scan documents directly to a USB flash drive.

## Printing Highlights

- Deliver single-sided output at 25 pages-per-minute, or duplex at 7 pages-per-minute.
- Standard network printing, using the redesigned host-based Muratec Printing System, delivers responsive, high-resolution output.
- 50-sheet multipurpose bypass tray is the perfect solution for printing envelopes, labels and more (20-28 lb)
- Secure printing suppresses print jobs until a password has been entered on the control panel.
- Optional PCL5e / 6, PostScript3, Direct PDF and XPS.
- Optional barcode printing system (supports UPC/EAN, Interleave 25, Code 39, Code 126, PostNet and more).
- Store commonly produced documents, such as forms, into the MFX-2570 memory and print them on-demand.
- Print documents stored on USB flash drives.
- Standard duplex printing.

## Copying Highlights

- Legal-size platen glass captures multipart forms, carbon papers, plastic identification cards and more.
- Card copy mode allows for the seamless copying of two-sided driver's licenses and/or insurance cards.
- 6 second first-copy-out-time (FCOT) and 20 second warm-up time.

## Faxing Highlights

- Route inbound fax documents to another fax location, e-mail address or PC folder.
- The e-mail gateway feature enables users to send documents from the MFX-2570 through a network fax server. The operation is transparent to the user by using the same fax interface that is used for sending a traditional fax.
- Send documents directly from PC applications using the simple PC fax driver.
- System administrators can automatically archive all inbound and outbound communications, including both fax and e-mail, to create an audit trail of usage.

## Additional Highlights

- "My MFP" mode enables each user to access commonly used features on a single screen, regardless of which mode the feature is located in.
- 80-sheet automatic document feeder.
- Standard 500-sheet paper cassette (letter/legal). Optional 500-sheet cassette can be added to achieve the maximum paper capacity of 1,050-sheets.
- Shift-sorting physically separates each set in a print/copy job to create a distribution-ready stack of documents.

# SPECIFICATIONS – MFX-2570

GENERAL	
<b>Configuration</b>	Monochrome Multifunction Printer – Standard Copy, Print, Fax and Color Scan
<b>Print Speed (Simplex)</b>	25 pages-per-minute
<b>Print Speed (Duplex)</b>	7 pages-per-minute
